

4. On the day of your procedure:

- Drink an 8 ounce glass (1 cup) of prep every 10-20 minutes until the prep is finished. Complete the ENTIRE prep by _____ AM/PM. The prep must be completed 4 HOURS before your scheduled procedure time.
- After finishing the prep, have NOTHING to eat or drink before your arrival time, not even candy, gum or mints. However, you may take medications with a sip of water.
- If you are DIABETIC, please check your blood sugar and bring the results to your procedure. If you are on INSULIN, cut your dosage in half (1/2) the evening before and morning of your procedure. If you are on ORAL AGENTS to control your blood sugar, please hold your dose the morning of the procedure.

Check in to admitting at Adventist Medical Center (HOSPITAL ENTRANCE) by _____ AM/PM.

Your procedure is scheduled on _____ to begin at _____ AM/PM.

You will need a driver and escort to go home approximately one hour after your procedure. Do not plan to drive or work for the rest of the day.

NOTE: If you will be under general anesthesia for your procedure, please have your blood work done within 7 days prior to your procedure date.
